

Komo Kulshan Outdoor School Pre-Trip Survey

Dear Student,

Please fill out this survey before you come to KKOS. You will be asked to fill out a similar survey after your trip to KKOS. We will use these two surveys to make sure we are doing a good job of teaching at KKOS. This is not a test and will not affect your grade in anyway. You don't have to put your name on the survey, but we ask for your birthday so we can match up your before and after surveys. Your answers are very important to us, thanks for your help!
