

Komo Kulshan Outdoor School

Teacher Evaluation

(feel free to use the back, too!)

Dates attended: _____

Pre-trip

1. Was pre-program training useful (annual UW-MESA Watersheds for Teachers)?
In what ways?
2. If it has been more than 3 years since your training, would you consider coming to a refresher?
3. What suggestions do you have for teacher training in the future? (timing, length, content, etc.)
4. Were the suggested pre-trip classroom lessons (UW-MESA, etc.) appropriate, effective, and useful?
Why or why not?

On site

5. Please describe your experience teaching your chosen learning stations at Outdoor School? (lesson plans, tub contents, timing, site, etc.) Also suggestions for improvement:
6. Do you think your students gained knowledge from the KKOS experience? Please describe:
7. How effective were your appointed High School Leaders?
8. How organized and effective was the KKOS staff? Suggestions?
10. Were there any rules you would change? Which ones and why?
11. Did the menu seem appropriate? (nutritious, affordable, easy/safe for students to prepare)
12. What were your Parent Chaperones' general comments?
13. Were your goals met for the program? Please articulate:
14. Which **post-trip** lessons have you tried in the classroom? Please comment:
15. Are you interested in returning next year? If so, do you have a seasonal (fall/spring) preference?
16. How do you use your Student Journals, once you have returned to school? (do you grade them?, etc.)
